About Me

Industrial Design student at Imam Abdulrahman Bin Faisal University (IAU) with experience in student leadership and communications within the College of Design. Interested in product and service development, design thinking, and delivering organized, user-centered outcomes through collaboration, documentation, and structured execution. Seeking opportunities (internship / co-op) in industrial design, product development, or design operations.

EXPERIENCE / LEADERSHIP

Sep 2025 – Sep 2026

Head of Coordination & Organization Committee – Design Club (IAU) | Eastern Province, KSA

Head of Coordination & Organization Committee

- Led coordination and operational planning for club activities, aligning tasks, timelines, and stakeholder communication.
- Supported event execution by organizing logistics and ensuring smooth on-ground flow.
- Maintained clear documentation and follow-up routines to keep deliverables on track.

Apr 2023 – Apr 2024

Public Relations & Communications Officer – Student Council, College of Design (IAU) | Eastern Province, KSA

Public Relations & Communications Officer

- Managed communications for student council initiatives, supporting internal/external messaging and coordination.
- Contributed to organizing college-related activities and engagement initiatives.
- Coordinated with team members to deliver announcements, updates, and event materials.
